

A dynamic splash of blue water, with a trail of red stars and a blue star. The stars are arranged in a curved path, starting from a blue star at the top and moving down and to the right. The water is captured in a high-speed shot, showing intricate patterns and bubbles.

Ile de France Natation

*Les membres du Comité Directeur,
les cadres techniques et les personnels
du Comité Ile de France de Natation vous souhaitent,
une bonne et heureuse année 2016*
